

About us

DIGITECH Arabia (Always Your IT Partner) is part of a Medium Corporate Business Services Provider located in Al-Khobar Kingdom of Saudi Arabia. Involved in various Parts of Information Technology since 1999. We are committed to providing a total solution for your Information Technology needs, * Fiber Optic Solutions, * Networking Solutions, * Computers Solutions, * Electronics Solutions, * Software Solutions, * Website Solutions, * And more....

DIGITECH Arabia (Always Your IT Partner) Solutions offer the design, installation and Maintenance Of external and internal Fiber optic networks and external cross site / campus cabling systems. We can offer Fiber optic cable Installation services for Single mode OS1 and Multi-mode OM1 OM2 OM3 Fiber optic cables with full OTDR testing Services for a complete solution. Our Fiber optic communication experience extends from the installation of internal Fiber networks to cross site Fiber optic cables up to 5km including Fiber optic cabling and Fiber Optic transmission Equipment and termination solutions. These projects vary from communication cables to plant control cables for Process and control systems. Our Fiber optic engineers are MOD cleared and experienced in working in petrochemical, industrial and MOD environments.
